***y2 101:** new to yoga? this is a great place to start. While this class emphasizes the fundamentals of an asana practice for beginners, it is also designed to meet the needs of experienced yogis looking to deepen their alignment and breathing techniques. You'll become familiar with the Y2-style flow so that you feel confident participating in single and double shot classes. We offer heated and non-heated 101 classes.

***new to Y2:** at Y2 Yoga we have a signature style of flow. This class is designed for students who are new to Y2 to provide you with a deep dive into how we flow. Class will be a mixture of discussion, workshoping and flow and will break down the fundamentals of a Y2 class. Class is free for your first visit. Class is non-heated.

single shot: this class features our signature Y2-style flow. You'll move through a 25 minute warm up followed by core strengthening work. The standing series comes next and it includes a minimum of 14 postures that you'll find in every Y2 class. Class wraps up with backbends and floor work. Class is heated.

double shot: kick it up a notch with this fast-paced flow. We double up the single shot standing series to give you a chance to tackle it twice. This class is cardiovascularly intense and includes options for advanced transitions, arm balances and inversions. Modifications are also offered, making this an all-levels challenge! Class is heated.

***straight shot:** this class is for yogis who love to flow but without the heat. This class follows our single shot format but is held in our non-heated studio. Class is non-heated.

***Y2 express single shot** This 45-minute class will pack in a warm up, abs, standing flow, backbends and abbreviated floor work. We'll get you sweaty, stretched, strengthened and on your way to work before you know it! Danielle will be teaching the Tuesday class and Jen Eddins will be teaching the Thursday.

***twilight flow:** slow down and settle into your practice with this mellow late evening class. You'll move through a chilled out version of our single shot class in a dim room lit by colored LED lights. Class is heated.

***long, slow deep (LSD):** this restorative deep stretch class is the perfect way to find deep mental and physical relaxation. Class begins with a gentle 10-15 minute vinyasa warm up before moving into floor postures with 3-5 minute holds. Blocks, straps and bolsters are provided so you can find maximum comfort and peace. Class is non-heated.

super flow: For die-hard flow lovers looking for an intense hot vinyasa experience. In super flow we repeat our single shot standing series three times. The pace is fast and instruction is minimal so a good understanding of asana is encouraged. Designed to build endurance, cardiovascular conditioning and mental strength. Class is heated.

***ashtanga:** this is the original flow practice from India from which all power and vinyasa style yoga originated from. It features a set series of postures that are designed to calm the mind and strengthen the body. The practice is accessible to students of all levels open to exploration and adventure. Class is non-heated.

***Y2 strength:** strength and flexibility go hand-in-hand and it's important to have both to live your happiest, healthiest life. This class utilizes bodyweight exercises, resistance bands and dumbbells for a total body strength training workout. Note, this is not a yoga fusion class. Strength only! Class is non-heated. Pre-registration is encouraged.

y2 kids: kids who practice yoga experience greater focus, feel happier and have an overall increase in well-being. Our kid's classes combine learning the fundamentals of yoga with fun games and activities. Ages 6-11. Non-heated.

prenatal: moms-to-be find that prenatal yoga is an excellent way to strengthen the body and prepare the mind for childbirth. No previous yoga experience is required. Class is non-heated.

good karma: we believe that yoga should be accessible to everyone. We are proud to offer discounted classes that are taught by the same teachers you'll find in our full-price classes 7 days a week.

studio talks: take yoga off of your mat and into your life with Studio Talks. This lecture class only will dive deep into the philosophy of yoga and yogic teachings so that you can practice the mental benefits of yoga throughout your everyday life. This class is strictly lecture only - no physical exercise involved.
